Governance Statement and Authority Members' Report

Governance

Legal Services Regulatory Authority (LSRA) was established under the Legal Services Regulation Act 2015 (the 2015 Act). The objectives of the Authority are set out in section 13(4) of the 2015 Act. The Authority is accountable to the Minister for Justice, Home Affairs and Migration and is responsible for ensuring good governance and performs this task by setting strategic objectives and targets and taking strategic decisions on all key business issues. The regular day-to-day management, control and direction of the Legal Services Regulatory Authority are the responsibility of the Chief Executive Officer (CEO) and the senior management team. The CEO and the senior management team must follow the broad strategic direction set by the Authority, and must ensure that all Authority members have a clear understanding of the key activities and decisions related to the entity, and of any significant risks likely to arise. The CEO is accountable for the management of the senior management and staff of the LSRA in line with the Legal Services Regulation Act 2015 and the strategic and policy decisions of the Authority.

Authority's Responsibilities

The work and responsibilities of the Authority are set out in Terms of Reference, which also contain the matters specifically reserved for Authority decision. Standing items considered by the Authority include:

- declaration of interests,
- financial reports/management accounts,
- performance reports, and
- reserved matters.

Section 28 of the Legal Services Regulation Act 2015 requires the Legal Services Regulatory Authority to keep, in such form as may be approved by the Minister for Justice, Home Affairs and Migration with consent of the Minister for Public Expenditure, Infrastructure, Public Service Reform and Digitalisation, all proper and usual accounts of money received and expended by it.

In preparing these financial statements, the Legal Services Regulatory Authority is required to:

- select suitable accounting policies and apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that it will continue in operation, and
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.

Governance Statement and Authority Members' Report (Continued...)

The Authority is responsible for keeping adequate accounting records which disclose, with reasonable accuracy at any time, its financial position and enables it to ensure that the financial statements comply with Section 28 of the Legal Services Regulation Act 2015. The maintenance and integrity of the corporate and financial information on the Legal Services Regulatory Authority website (www.lsra.ie) is the responsibility of the Authority.

The Authority is responsible for approving the annual plan and budget. An evaluation of the performance of the Legal Services Regulatory Authority by reference to the annual plan and budget is carried out at every Authority meeting.

The Authority is also responsible for safeguarding its assets and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Authority considers that the financial statements of the Legal Services Regulatory Authority give a true and fair view of the financial performance and the financial position of the Legal Services Regulatory Authority at 31 December 2024.

Finance, Audit & Risk Committee

The LSRA's Finance, Audit and Risk (FAR) Committee was Chaired by Authority member, Angela Black in 2024. Authority member Geraldine Clarke SC also sat on the committee along with the independent external members of the committee who were Peter O'Brien and Claire Byrne. The Secretary to the Authority is also Secretary to the FAR Committee.

The FAR Committee met three times in 2024. The terms of office of all FAR Committee Members ended in July 2024. Due to the delay in the appointment/reappointment of Authority Members in quarter four, 2024 the Authority was not in a position to appoint a new FAR Committee before year end. As a result, the FAR Committee could only meet three times in 2024.

At each meeting, the FAR Committee receives a briefing from the Chief Executive Officer and formally reviews the LSRA Risk Register, examining all steps taken by the LSRA executive to mitigate those risks. The FAR Committee reviews up-to-date management accounts and associated financial information at each meeting. The FAR Committee also reviews audit reports, both internal and external for the LSRA. The oversight remit of the FAR Committee has extended to the Legal Practitioners Disciplinary Tribunal (LPDT) which is funded by the LSRA and included in its accounts. The LSRA Risk Register, audit reports, budget and financial statements are also considered and evaluated at Authority meetings.

Statement on Internal Control

Responsibility for system of Internal Control

On behalf of the Legal Services Regulatory Authority, I hereby acknowledge our responsibility for ensuring that an effective system of internal controls is maintained and operated.

The system of internal control can only provide reasonable and not absolute assurance that assets are safeguarded, transactions authorised and properly recorded, and that material errors or other irregularities are either prevented or would be detected on a timely basis. We are satisfied that the systems, which the Authority has in place, are reasonable and appropriate for the Authority's circumstances having regard to its size, level of expenditure, staff resources and the nature of its operations.

Control Environment

The following steps have been taken to ensure an appropriate control environment

- ❖ Decisions on expenditure rest with the Chief Executive Officer and the members of the Authority in line with approved expenditure thresholds;
- ❖ Management responsibilities are clearly assigned and communicated between the Chief Executive Officer and all members of staff;
- ❖ Internal reporting relationships are clearly assigned;
- ❖ The Department of Justice, Home Affairs and Migration provides internal audit services to the Legal Services Regulatory Authority. An audit of 2024 internal controls was conducted in Quarter 1 2025 and the internal audit unit report was signed off by the CEO on 2 April 2025;
- ❖ The Legal Services Regulatory Authority has in place robust financial procedures and in addition engaged the services of an external accounting firm.

Legal Services Regulatory Authority

Statement on Internal Control (Continued...)

Risk Assessment

The Authority has established processes to identify and evaluate business and financial risks by:

- ❖ Identifying the nature and extent of financial risks facing the office;
- ❖ Assessing the potential of identified risks occurring;
- ❖ Evaluating and assessing the internal capacity of the office to manage the risks that do occur;
- ❖ Examining financial risks in the context of strategic goals.

Control Mechanism

The system of internal control is based on internal management of information, administrative procedures and a system of delegation and accountability. In particular, this involves:

- ❖ Regular review by the Authority and senior management of financial reports provided by the external accounting firm;
- ❖ Comprehensive budgeting system with an annual budget which is reviewed regularly by senior management.

Mechanisms have been established for ensuring the adequacy of the security of the Authority's information (internally within the Legal Services Regulatory Authority) and communication technology systems.

Compliance with Public Spending Code

In 2024, the Legal Services Regulatory Authority is in compliance with current procurement rules and guidelines as set out by the Office of Government Procurement with the exception of goods and services supplied as detailed below:

- €738,989 ex VAT relating to legal services. Services were formerly procured through a mini-competition with the OGP. The contract has expired. A new procurement competition will be completed in 2025.
- €43,843 ex VAT relating to stenography. A new procurement competition will be completed in 2025.

Review of Effectiveness of Internal Controls

The Statement on System of Internal controls has been reviewed by the Authority to ensure it accurately reflects the control system in operation during the reporting period.

A review of internal controls in respect of 2024 was carried out by Internal Audit Unit at the Department of Justice, Home Affairs and Migration and a review completed by the Authority on 12 June 2025.

The Authority is reasonably assured that the systems of internal control instituted and implemented in the Legal Services Regulatory Authority for the financial period ended 31st December 2024 are effective.

Legal Services Regulatory Authority

Opinion on financial statements

I have audited the financial statements of the Legal Services Regulatory Authority for the year ended 31 December 2024 as required under the provisions of section 28 of Legal Services Regulation Act 2015. The financial statements comprise

- the statement of income and expenditure and retained revenue reserves
- the statement of comprehensive income
- the statement of financial position
- the statement of cash flows, and
- the related notes, including a summary of significant accounting policies.

In my opinion, the financial statements give a true and fair view of the assets, liabilities and financial position of the Legal Services Regulatory Authority at 31 December 2024 and of its income and expenditure for 2024 in accordance with Financial Reporting Standard (FRS) 102 *The Financial Reporting Standard applicable in the UK and the Republic of Ireland*.

Basis of opinion

I conducted my audit of the financial statements in accordance with the International Standards on Auditing (ISAs) as promulgated by the International Organisation of Supreme Audit Institutions. My responsibilities under those standards are described in the appendix to this report. I am independent of the Legal Services Regulatory Authority and have fulfilled my other ethical responsibilities in accordance with the standards.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Report on information other than the financial statements, and on other matters

The Legal Services Regulatory Authority has presented certain other information together with the financial statements. This comprises the governance statement and Authority members' report, and the statement on internal control. My responsibilities to report in relation to such information, and on certain other matters upon which I report by exception, are described in the appendix to this report.

Non-compliant procurement

The statement on internal control discloses that material instances of non-compliance with relevant procurement rules occurred in respect of contracts that operated in 2024. The statement on internal control also sets out steps planned by the Authority to address the weaknesses that gave rise to this.

Seamus McCarthy
Comptroller and Auditor General

23 December 2025

Appendix to the report

Responsibilities of Authority members

The governance statement and Authority members' report sets out the Authority members' responsibilities. The Authority members are responsible for

- the preparation of annual financial statements in the form prescribed under section 28 of the Legal Services Regulation Act 2015
- ensuring that the financial statements give a true and fair view in accordance with FRS 102
- ensuring the regularity of transactions
- assessing whether the use of the going concern basis of accounting is appropriate, and
- such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibilities of the Comptroller and Auditor General

I am required under section 28 of the Act to audit the financial statements of the Legal Services Regulatory Authority and to report thereon to the Houses of the Oireachtas.

My objective in carrying out the audit is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement due to fraud or error. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the ISAs, I exercise professional judgment and maintain professional scepticism throughout the audit. In doing so,

- I identify and assess the risks of material misstatement of the financial statements whether due to fraud or error; design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- I obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal controls.
- I evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures.

- I conclude on the appropriateness of the use of the going concern basis of accounting and, based on the audit evidence obtained, on whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Legal Services Regulatory Authority's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my report. However, future events or conditions may cause the Legal Services Regulatory Authority to cease to continue as a going concern.
- I evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I report by exception if, in my opinion,

- I have not received all the information and explanations I required for my audit, or
- the accounting records were not sufficient to permit the financial statements to be readily and properly audited, or
- the financial statements are not in agreement with the accounting records.

Information other than the financial statements

My opinion on the financial statements does not cover the other information presented with those statements, and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, I am required under the ISAs to read the other information presented and, in doing so, consider whether the other information is materially inconsistent with the financial statements or with knowledge obtained during the audit, or if it otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact.

Reporting on other matters

My audit is conducted by reference to the special considerations which attach to State bodies in relation to their management and operation. I report if there are material matters relating to the manner in which public business has been conducted.

I seek to obtain evidence about the regularity of financial transactions in the course of audit. I report if there is any material instance where public money has not been applied for the purposes intended or where transactions did not conform to the authorities governing them.

1. Accounting Policies

The basis of accounting and significant accounting policies adopted by the Legal Services Regulatory Authority are set out below. They have been applied consistently throughout the period.

General Information

The Legal Services Regulatory Authority was set up under the Legal Services Regulatory Act 2015, with a head office at Units 1-3, Manor Street Business Park, Shea's Lane, Stoneybatter, Dublin 7. The Legal Services Regulatory Authority's primary functions as set out in Section 13(4) of the Legal Services Regulatory Act 2015 are as follows:

- Regulate the provision of legal services by legal practitioners and shall ensure the maintenance and improvement of standards in the provision of such services in the State;
- The Authority may, and where required by this Act shall keep under review, and make recommendations to the Minister in respect of the following:
 - a. the admission requirements of the Law Society relating to the solicitors' profession and of the Bar Council and the Honorable Society of King's Inns relating to the barristers' profession;
 - b. the availability and quality of the education and training for the solicitors' and barristers' professions;
 - c. the policies of the Law Society in relation to the admission of persons as solicitors in the State, and of the Bar Council and the Honorable Society of King's Inns in relation to persons becoming entitled to practise as barristers in the State.
- Disseminate information in respect of the education and accreditation requirements to such extent and in such manner as it thinks fit;
- Specify the nature and minimum levels of professional indemnity insurance;
- Establish and administer a system of inspection of legal practitioners for such purposes as are provided for in this Act;
- Receive and investigate complaints;
- Maintain the roll of practising barristers;
- Promote public awareness and disseminate information to the public in respect of legal services, including the cost of such services;
- Keep the Minister informed of developments in respect of the provision of legal services by legal practitioners and make recommendations to assist the Minister in co-ordinating and developing policy in that regard;

General Information (Continued...)

- Undertake, commission or assist in research projects and other activities in respect of the provision of legal services, which in the opinion of the Authority may promote an improvement in standards for the provision of those services and public awareness of them, and make recommendations to the Minister arising from those projects or activities; and
- Perform any other functions conferred on it by the Act or by regulations made under it.

The Legal Services Regulatory Authority is a Public Benefit Entity (PBE).

Statement of Compliance

The financial statements of the Legal Services Regulatory Authority for the period ended 31 December 2024 have been prepared in compliance with the applicable legislation, and with FRS 102 the Financial Reporting Standard applicable in the UK and the Republic of Ireland issued by the Financial Reporting Council in the UK.

Basis of Preparation

The financial statements have been prepared under the historical cost convention, except for certain assets and liabilities that are measured at fair values as explained in the accounting policies below. The financial statements are in the form approved by the Minister for Justice, Home Affairs and Migration under the Legal Services Regulatory Authority Act 2015.

The financial statements are prepared in Euro which is the functional currency of the Legal Services Regulatory Authority. The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Legal Services Regulatory Authority's financial statements.

The Authority have concluded that there is no material uncertainty regarding the Authority's ability to meet its liabilities as they fall due and continue as a going concern. However, given the continued support via grant funding from the Department of Justice, Home Affairs and Migration, the Authority has a reasonable expectation that The Legal Services Regulatory Authority will have adequate resources for the foreseeable future. On this basis the Authority consider it appropriate to prepare the financial statements on a going concern basis. Accordingly, these financial statements do not include any adjustments to the carrying amounts and classification of assets and liabilities that may arise if the Authority was unable to continue as a going concern.

Legal Services Regulatory Authority

Levy Income

The LSRA is funded primarily by way of a levy on the legal profession. To that end, each year the LSRA issues levy notices under Part 7 of the 2015 Act to the Law Society, the Bar of Ireland and to a number of practising barristers who are not members of the Law Library.

On 31 July 2023, Part 10, with the exception of Section 67, of the Courts and Civil Law (Miscellaneous Provisions) Act 2023 (the 2023 Act) came in to operation. Sections 59 to 63 of the 2023 Act relate to the calculation of the levy and so this year the calculation process was adapted to comply with these sections of the 2023 Act.

Under the new methodology, the LSRA must calculate the ‘expenses of the Authority’ and the ‘expenses of the Disciplinary Tribunal’, which consist of:

- a) the net expenditure of the body i.e. the operating costs and administrative expenses of the body less the amount of a surplus, or a portion thereof, plus the amount of a deficit, or a portion thereof, and
- b) the amount by which the budgeted net expenditure of the body in the financial year exceeds the operating costs and administrative expenses in respect of the levy year.

The LSRA must also determine, with the Minister’s consent, the amount of the advances made under section 32 of the 2015 Act to be repaid to the Department in the financial year.

The levy assessment notices for the levy for the 2023 levy year were issued on 27 June 2024.

Foreign Currencies

Monetary assets and liabilities denominated in foreign currencies are translated at the exchange rates ruling at the Statement of Financial Position date. Revenues and costs are translated at the exchange rates ruling at the dates of the underlying transactions. Profits and losses arising from foreign currency translations and on settlement of amounts receivable and payable are dealt with in the Income and Expenditure Account.

Tangible Assets and Depreciation

Tangible assets are stated at their historical cost less accumulated depreciation. Depreciation is charged to the Statement of Income and Expenditure and Retained Revenue Reserves on a straight line basis, at the rates set out below, so as to write off the assets, adjusted for residual value, per their expected useful lives as follows:

Legal Services Regulatory Authority

Notes to the financial statements For the year ended to 31 December 2024

Tangible Assets and Depreciation (Continued...)

IT Equipment	Straight-line over 5 years
Office Equipment	Straight-line over 5 years
Furniture and Fittings	Straight-line over 10 years

The residual value and useful lives of fixed assets are considered annually for indicators that these may have changed. Where such indicators are present, a review will be carried out of the residual value, depreciation methods and useful lives, and these will be amended if necessary. Changes in depreciation rates arising from this review are accounted for prospectively over the remaining useful lives of the assets.

Operating Leases

Rental expenditure under operating leases is recognised in the Statement of Income and Expenditure and Retained Revenue Reserves over the life of the lease. Expenditure is recognised on a straight-line basis over the lease period, except where there are rental increases linked to the expected rate of inflation, in which case these increases are recognised when incurred.

Employee Benefits

Short-term Benefits

Short term benefits such as holiday pay are recognised as an expense in the year, and benefits that are accrued at year-end are included in the Payables figure in the Statement of Financial Position.

Retirement Benefits

The employees of the Legal Services Regulatory Authority are public servants and are members of a defined benefit scheme which is unfunded.

The Legal Services Regulatory Authority also operates the Single Public Services Pension Scheme ("Single Scheme"), which is a defined benefit scheme for pensionable public servants appointed on or after 1 January 2013. All pensions deductions made under the Single Scheme are remitted to the Department of Public Expenditure, Infrastructure, Public Service Reform and Digitalisation. The pension liabilities for the single scheme rest with the Authority.

Legal Services Regulatory Authority

Notes to the financial statements For the year ended to 31 December 2024

Receivables

Receivables are recognised at fair value, less a provision for doubtful debts. The provision for doubtful debts is a specific provision, and is established when there is objective evidence that the Legal Services Regulatory Authority will not be able to collect all amounts owed to it. All movements in the provision for doubtful debts are recognised in the Statement of Income and Expenditure and Retained Revenue Reserves.

Payables

Trade creditors are measured at invoice price, unless payment is deferred beyond normal business terms or is financed at a rate of interest that is not market rate. In this case the arrangement constitutes a financing transaction, and the financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Critical Accounting Judgements and Estimates

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the reporting date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates.

During the period from the date of establishment to 6 November 2019, the Authority was not in receipt of any non-grant income. 12. Retirement Benefit Costs

i. Authority Staffing

In accordance with Section 27 of the Legal Services Regulatory Act 2015, the Authority may prepare and submit to the Minister for his approval a scheme for the granting of superannuation benefits to these staff members and in respect of such members of the staff of the Authority as it may think fit. The LSRA is not intending to prepare such a scheme at this time.

In 2023, some staff joined the LSRA where their (non-Single Pension Scheme) legacy pension transferred over to the LSRA. These staff members are members of a defined benefit scheme which is unfunded. Discussions are ongoing with the Department of Public Expenditure, Infrastructure, Public Service Reform and Digitalisation in relation to the treatment of those pensions.

New entrant staff, employed by the Authority after 1 January 2013 are members of the Single Public Service Pension Scheme in accordance with Public Service Pensions (Single Scheme and Other Provisions) Act 2012. Deductions from staff salaries are transferred to the Department of Public Expenditure, Infrastructure, Public Service Reform and Digitalisation on a monthly basis in accordance with the Act.

 Net retirement benefit obligations at 31 December	 5,219,000	 5,117,000

iv. Deferred funding asset for retirement benefits

The Authority recognises amounts owing from the State for the unfunded deferred liability for retirement benefits on the basis of the set of assumptions described above and a number of past events. These events include the statutory basis for the establishment of the retirement benefit scheme, and the policy and practice currently in place in relation to funding public service pensions including contributions by employees and the annual estimates process. The Authority has no evidence that this funding policy will not continue to meet such sums in accordance with current practice.

The net deferred funding for retirement benefits recognised in the Statement of Income and Expenditure and Retained Revenue Reserves is as follows:

	31 December 2024	31 December 2023
	€	€
Funding recoverable in respect of current year retirement	619,000	615,000
Benefits paid in year	(4,000)	-
 615,000	 615,000	

The deferred funding liability for retirement benefit as at 31 December 2024 amounted to €5,219,000 (2023: €5,117,000).

v. Description of scheme

Non-Single Pension Scheme:

While the majority of LSRA staff are members of the Single Scheme, some staff joined the LSRA where their (non-Single Pension Scheme) legacy pension transferred over to the LSRA.

These staff transferred as members of a pension scheme which is a defined benefit final salary pension arrangement with benefits and contributions defined by reference to current “model” public sector scheme regulations. The scheme provides a pension (one eightieth per year of service), a gratuity or lump sum (three eightieths per year of service) and spouse’s and children’s pensions. Normal Retirement Age is a member’s 65th birthday, and pre 2004 members have an entitlement to retire without actuarial reduction from age 60. Pensions in payment (and deferment) normally increase in line with general public-sector salary inflation.

The LSRA is remitting pension deductions to Department of Public Expenditure, Infrastructure, Public Service Reform and Digitalisation and have recognised a pension liability and deferred asset in their financial statements for 2024 on the assumption that funding will be met. The LSRA is engaging with both the Department of Justice, Home Affairs and Migration and the Department of Public Expenditure, Infrastructure, Public Service Reform and Digitalisation to resolve the position in respect of those pensions.

Single Scheme

The Single Scheme is the occupational pension scheme for public servants hired since 2013. It is a defined benefit scheme, with retirement benefits based on career-average pay. The scheme generates pension credits and retirement lump sum credits for each scheme member. These money credits, known as “referable amounts”, accrue as percentages of pay on an ongoing basis. The referable amounts accrued each year are revalued annually until retirement in line with inflation increases (Consumer Price Index). The annual pension awarded on retirement is the cumulative total of a scheme member’s pension referable amounts, and the retirement lump sum awarded is, similarly, the total of the scheme member’s lump sum referable amounts.

Legal Services Regulatory Authority

Notes to the financial statements For the year ended to 31 December 2024

12. Retirement Benefit Costs (Continued...)

Valuation

The valuation used for FRS 102 disclosures has been based on a full actuarial valuation by a qualified independent actuary taking account of the requirements of the FRS in order to assess the scheme liabilities at 31 December 2024.

The principal actuarial assumptions used to calculate the components of the defined benefit cost for the year ended 31 December 2024 were as follows:

	31 December 2024	31 December 2023
Discount rate	3.45%	3.35%
Inflation rate	2.15%	2.35%
Salary increases	3.40%	3.60%
Pension increases	2.90%	3.10%

The mortality basis adopted allows for improvements in life expectancy over time, so that life expectancy at retirement will depend on the year in which a member attains retirement age (age 65). The number of members in the Scheme and the number of deaths are too small to analyse and produce any meaningful Scheme-specific estimates of future levels of mortality. Average future life expectancy according to the mortality tables used to determine the pension liabilities are:

	31 December 2024	31 December 2023

Male aged 65	22.1	22.1
Female aged 65	24.4	24.4
